Perl Regular Expression Quick Reference 1.04

This is the quick reference to regular expressions. It is not a tutorial. It is a reference. It is not a tutorial. It is a reference. It is not a tutorial. It is a reference.

Special characters

\	Backslash
.	Any character except newline
*	Zero or more occurrences
+	One or more occurrences
?	Optional character (0 or 1)
{n,m}	Character class between n and m

Metacharacters

The following 12 characters need to be escaped with a backslash "\". Unless they are escaped, they have special meaning.

^ \$ % & ' () * + , - . : ;

.	Match any character except newline
^	Match start of line
\$	Match end of line
*	Match zero or more occurrences
+	Match one or more occurrences
?	Match zero or one occurrence

Anchors

^	Match start of line
\$	Match end of line
^n	Match start of line n
\$n	Match end of line n

There are also anchors for word boundaries.

Quantifiers

These quantifiers apply to the preceding element.

*	Zero or more occurrences
+	One or more occurrences
?	Optional character (0 or 1)
{n}	Match exactly n times
{n,}	Match at least n times
{n,m}	Match at least n and at most m times

By default, quantifiers are "greedy". They attempt to match as many characters as possible. In order to make them match as few characters as possible, follow them with a question mark "?".

Character class metacharacters

[]	Character class metacharacters
^	Match start of character class
\$	Match end of character class

Character class shortcuts

[a-z]	Match any lowercase letter
[A-Z]	Match any uppercase letter
[0-9]	Match any digit
[\t \n \r \f \b]	Match any whitespace character
[^a-z]	Match any character except lowercase letter
[^A-Z]	Match any character except uppercase letter
[^0-9]	Match any character except digit
[^\s]	Match any character except whitespace

These shortcuts can be used in character classes.

Metacharacters & their translations

\	Escape the metacharacter and treat as literal
.	Match any character except newline
*	Match zero or more occurrences

Special variables

\$	Match end of line
^	Match start of line
\$n	Match end of line n
^n	Match start of line n
\$*	Match all characters except newline
^*	Match all characters except newline

Modifiers

These modifiers apply to the entire regex.

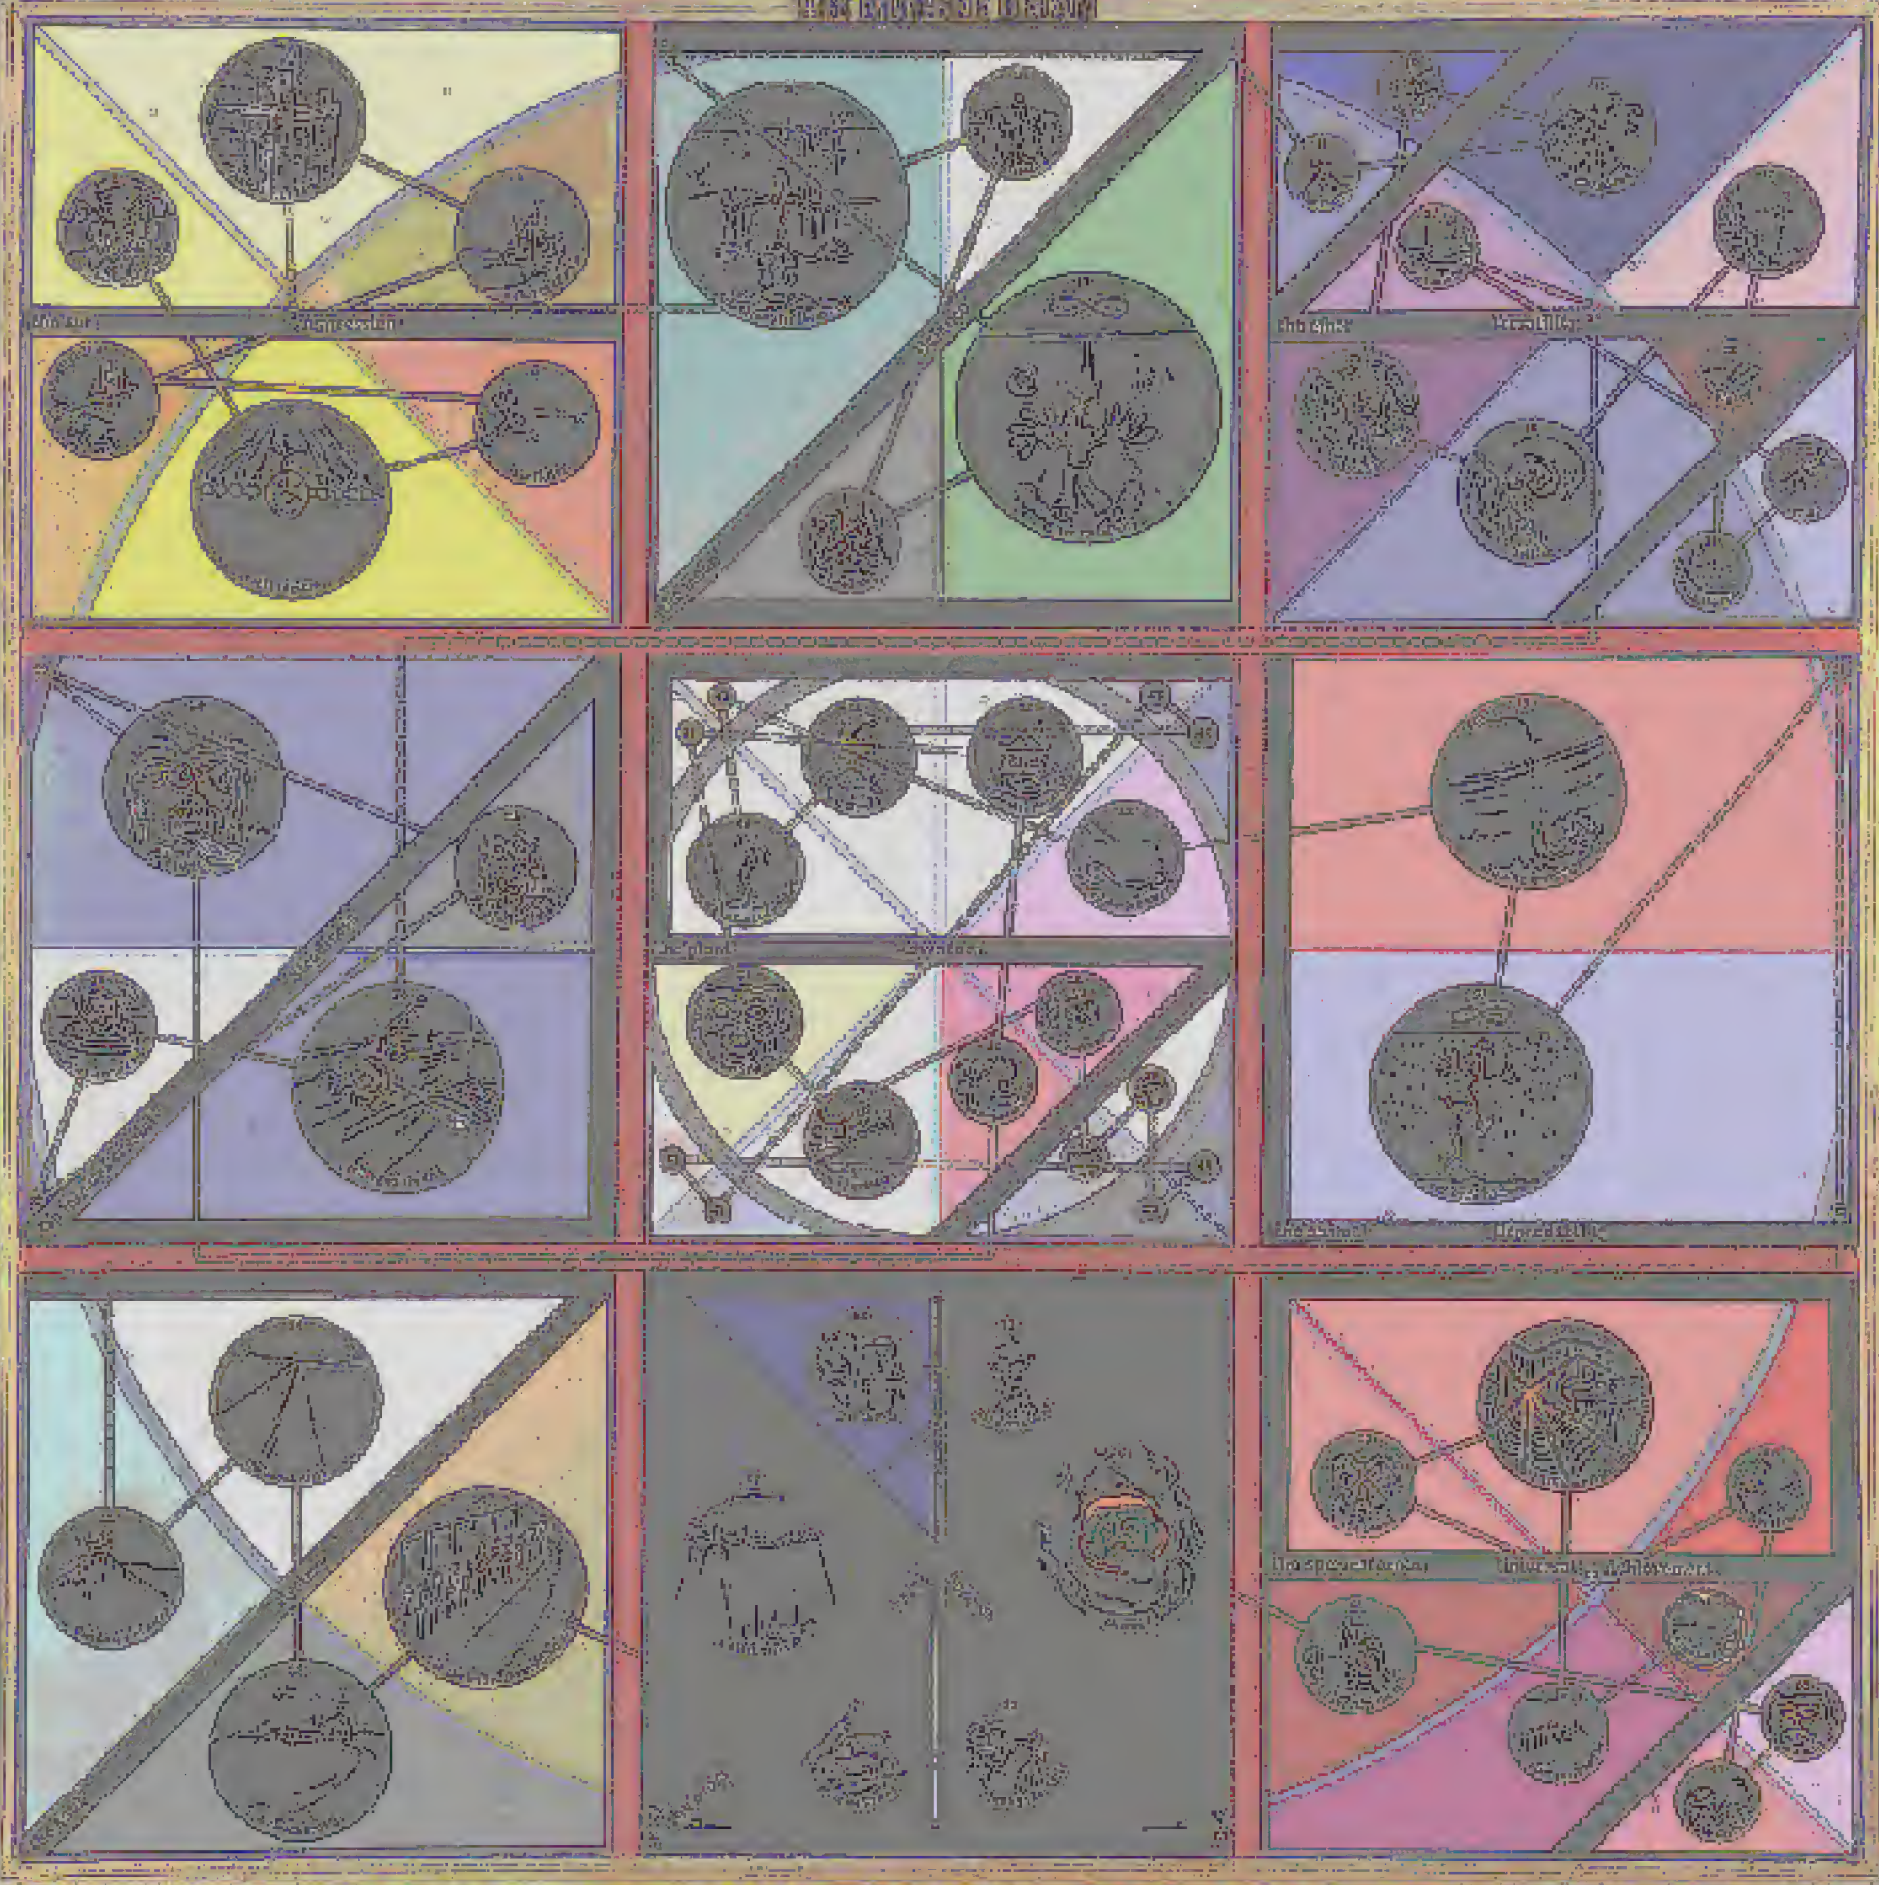

/i	Ignore case
/m	Match across multiple lines
/s	Match all characters except newline
/g	Global match
/n	Match n times
/r	Match any character except newline
/t	Match any character except tab

All except /n apply to /i, /m, /s, /g, /r, /t, /t.

Matching operations

~	Match the regex in the string
!~	Match the regex in the string

change is valuable when the oppressed become tyrants there is nothing to worry about

5

Tampering

An official cannot tamper with the law because your conscience is the law of your conscience.

Introduction:

The purpose of this document is to provide a comprehensive overview of the current state of the world, including the challenges we face and the solutions we need to implement. This document is intended for use by all members of the organization and is subject to change without notice.

Background:

The world is currently facing a number of significant challenges, including climate change, economic inequality, and social unrest. These challenges are interconnected and require a coordinated response from all sectors of society. The organization has been established to address these challenges and to promote a more just and sustainable world.

Goals:

The organization's primary goal is to promote a more just and sustainable world. This goal is achieved through the implementation of a number of key initiatives, including the promotion of human rights, the protection of the environment, and the promotion of economic development. The organization also seeks to promote a more peaceful and stable world, free from conflict and violence.

Methods:

The organization uses a variety of methods to achieve its goals, including advocacy, education, and direct action. The organization also seeks to build a strong and effective network of supporters and allies, both within and outside the organization.

Conclusion:

The world is a complex and challenging place, but it is also a place of great potential. By working together, we can overcome the challenges we face and create a more just and sustainable world for all.

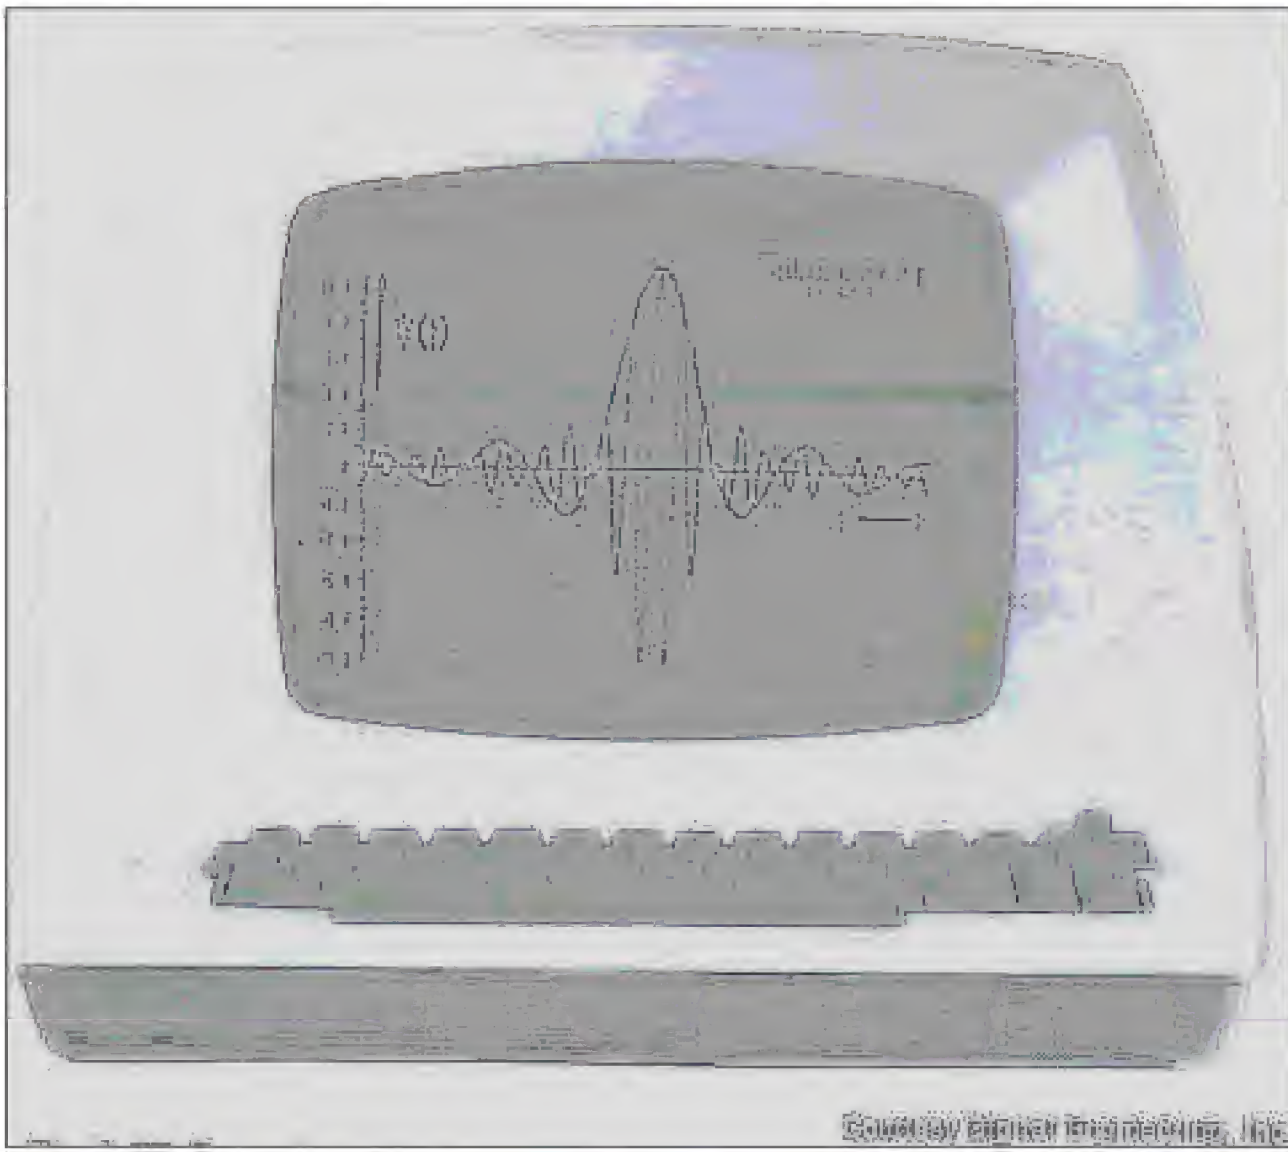

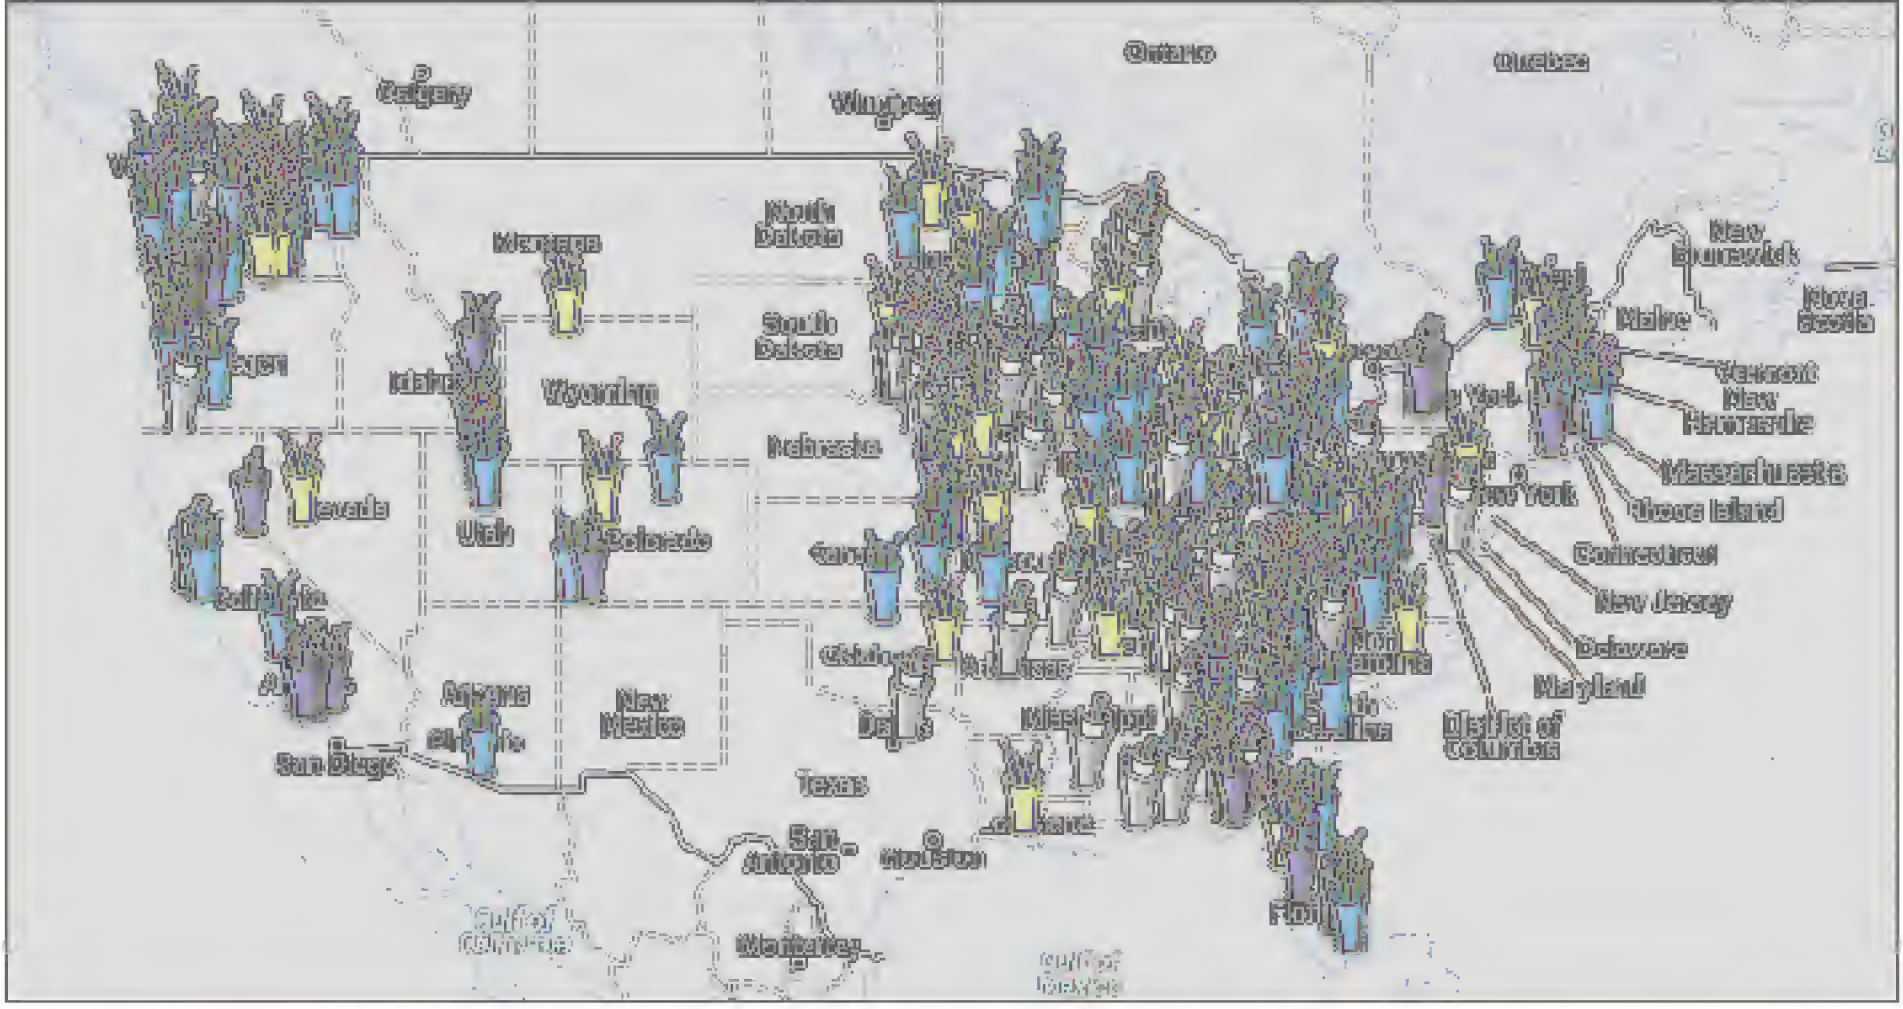

Conclusion:

The world is a complex and challenging place, but it is also a place of great potential. By working together, we can overcome the challenges we face and create a more just and sustainable world for all.

Appendix:

The following table provides a summary of the organization's key initiatives and their current status.

Initiative	Status
Human Rights	Active
Environment	Active
Economic Development	Active
Peace and Stability	Active

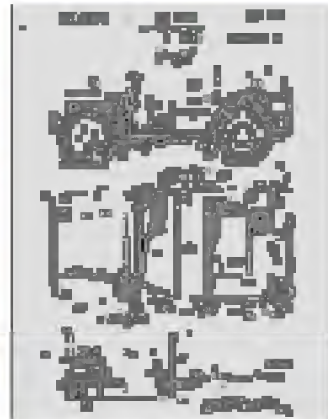

murder has its sexual side

mostly you should mind your own business

freedom is a luxury not a necessity

selfishness is the most basic motivation

worrying can help you prepare

there's nothing redeeming in toil

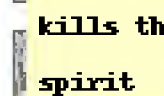

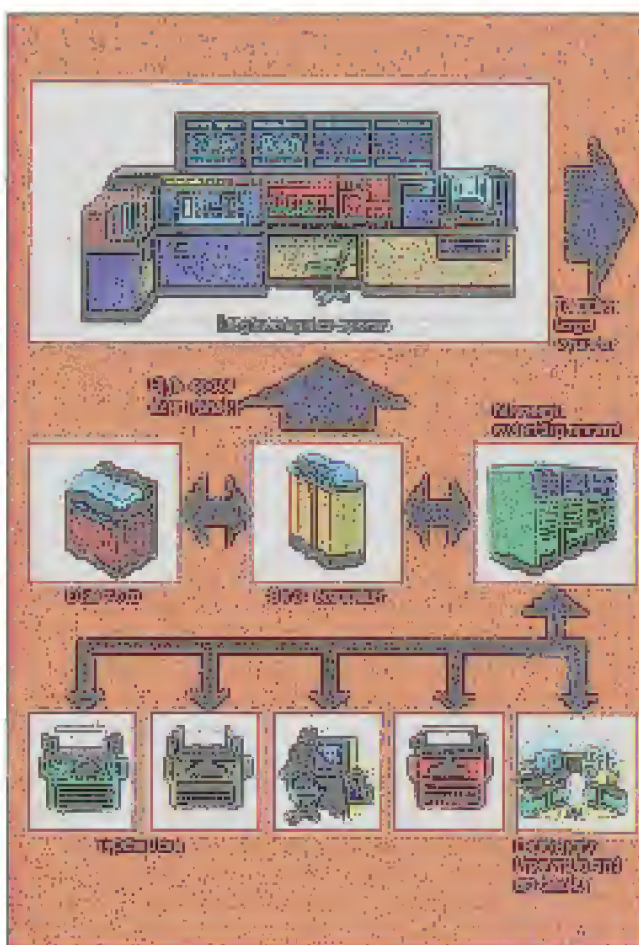

MAN AMPLIFIERS

STANDARD MAN is powered by the world's most powerful amplifiers, designed to provide the maximum output of human potential.
